Summer School Awards Policy 2016/17

1. Scholarship recipients who utilized their 2016/17 scholarship award.

Students who received an award for the 2016/17 school year can use the remaining balance of that award, if any, for an academic summer program.

2. Scholarship recipients who did not utilize their 2016/17 scholarship award.

These students will be required to do the following:

- a. Provide a narrative expressing why they are attending a summer program.
- b. Provide documentation that indicates the student will be attending an academic program.
- c. Families must complete the renewal application for the 2017/18 school year.
- d. Identify the school they have applied to for the 2017/18 school year.
- e. Parents/guardians must submit this information to SOC for approval by the Executive Director.

3. New scholarship recipients for the 2017/18 school year.

These students are ineligible to receive funding for a scholarship award until the Fall of 2017/18.

Note: SOC will only approve academic programs for the summer term.
