Participating
School Directory

D.C. Opportunity Scholarship Program

Published December 2020
About the Directory

Dear Family:

We are pleased that you and your family are part of, or interested in the D.C. Opportunity Scholarship Program (OSP). One way we assist families in utilizing the program to its fullest potential is by helping you make informed decisions about schools. We have created the Participating School Directory to provide families with basic information on each participating private school. We urge you to start the school search process as early as possible. Some schools stop accepting new applications as early as December of the current year. Please note that Serving Our Children (SOC) can assist with application fees and with your private school application.

As you begin your search for a school, it is our hope that the directory will help you find the right school for your student(s). To help you get started, the directory contains:

• Comprehensive school profiles on each participating school
• A step-by-step guide on how to apply to private schools
• General admission testing information
• Information on other financial resources

Additionally, included in the directory are maps of OSP participating schools by zip code, schools listed by Ward, and a School Search worksheet to assist you in the school search process.

The directory is a great starting point; however, it may not contain everything you need to know before applying to or choosing a school. We strongly encourage you to visit school websites, attend open houses and/or tours, and contact admissions staff to answer any additional questions you may have.

SOC is also available to assist you with applying to a participating private school. If you would like help or guidance in applying to a private school, you may:

• Schedule a one-on-one appointment with our staff. Our staff can meet with you virtually or in our office
  o Call 1-888-329-6884

Please note: The details contained in the school profile pages are self-reported by each school in the fall. Admissions details pertain to the upcoming 2021-22 school year. All other information, including tuition amounts, pertains to the current 2020-21 school year. Be sure to check with the schools directly for the most up-to-date information. Tuition information for the upcoming school year typically is available beginning in the spring.

As always, if you have any questions, please email info@servingourchildrendc.org or call the Program Team at 1.888.DC.YOUTH (1.888.329.6884). Due to the public health crisis associated with COVID-19, office walk-in hours are currently by appointment only.

Sincerely,

Rachel Sotsky
Executive Director, Serving Our Children

Important Notes:

**Application Fee/Entrance Exam Reimbursements**

Serving Our Children will reimburse the cost of application fees for up to five (5) participating OSP schools and the TADS Financial Aid Assessment application. In order to receive reimbursement, you will also need to complete a [Request for Reimbursement of Application Costs](#) form. Please be sure to retain copies of your receipts, as you will need to provide them with your reimbursement form.

Serving Our Children will also reimburse the cost of entrance exam fees for students who are required to take them to gain entrance into a participating OSP school. In order to receive reimbursement, you will need to complete a [Request for Reimbursement of Application Costs](#) form. Please be sure to retain copies of your receipts, as you will need to provide them with your reimbursement form.

The following are the most common Entrance Exams for participating OSP schools and the TADS Program Information: (Note: many school have suspended entrance exam requirements due to the COVID-19 Pandemic. Please check with schools for details.)

**High School Placement Test (HSPT)**

The high schools that are a part of the Archdiocese of Washington (ADW) require entering students to take the HSPT. Students already enrolled in a Catholic school within the ADW do not need to register for the exam as they will take it at their current 8th grade school. For those students not already attending a Catholic school within the ADW, they will need to register and pay for the exam.

**Grades required to take exam:** 8th graders before entering high school

**Exam fee:** please contact school for cost associated with testing

**Independent School Entrance Exam (ISEE):**

The ISEE is an admission test that has three levels: a lower level, middle level, and upper level. At all levels, the exam consists of three parts: (a) verbal and quantitative reasoning tests that measure a student's capability for learning, (b) reading comprehension and mathematics achievement tests that provide specific information about a student's strengths and weaknesses in those areas, and (c) an essay section.

**Grades required to take exam:** 1st-11th

**Exam fee:** $140 (small group testing); $200 (Prometric office testing)

**Tuition Aid Data Services (TADS):**

The TADS Financial Aid Assessment serves dioceses, foundations and state tax-funded organizations with efficient, flexible, and easy to use financial aid and fund allocation tools. The programs typically
allocate funds in one of two ways: **Need Based** (calculates the total student need with precise per-school detail. Each school is allocated its portion of the total fund based on its specific needs) or **Ranking** (determine how much aid they wish to award each student).

**Availability:** Open; [https://www.mytads.com/](https://www.mytads.com/)

**TADS Application fee:** Affordable pricing structure is based on varying school features.

**Secondary School Admission Test (SSAT):**
The SSAT is a multiple-choice aptitude test for students in grades 5-11. The test consists of verbal, quantitative (math) and reading comprehension sections.

**Exam fee:** $127

**Wechsler Intelligence Scale for Children (WISC):**
The test identifies key cognitive strengths and weaknesses related to learning disabilities, executive function, attention disorders, intellectual disability, cognitive strengths/weaknesses, and giftedness.

**Ages:** ages 6-16

**Exam fee:** $1,350

**Wechsler Preschool and Primary Scale of Intelligence (WPPSI)**
The WPPSI-III is designed for children ages 2 years six months to 7 years 3 months and provides subtest and composite scores that represent verbal and performance cognitive ability.

**Ages:** ages 2-7

**Exam fee:** $375-$425

Note: not all schools require entrance exams. Please check directly with the participating OSP school(s) you are applying for to determine whether they accept the TADS Financial Aid Assessment program and if an entrance exam is necessary, which exam is appropriate to take.
Aidan Montessori School

Highlight from Mission Statement:
To create and sustain an optimum Montessori educational environment to enable each child to realize his or her richest potential for learning and to become an independent, self-motivated and contributing member of the world.

Highlight from Mission Statement:
At Burke our mission is to bring together students who are different from one another in many ways. Our community has high expectations for them, gives them responsibility, and knows, respects, and appreciates them for who they are... Burke embraces a progressive educational approach to teach the whole child. This results in students who are skilled, independent thinkers with integrity.

Highlight from Mission Statement:
Self-Discovery, Skills of mind, Generosity of heart. Field’s mission statement is known well by every teacher and every student. Its three elements are, to us, inseparable. To achieve self-discovery, students need to develop the essential skills of critical thinking, writing, problem-solving, and discussion. Self-understanding without generosity of heart in the community is not truly meaningful. But, together, these elements are what The Field School considers the goals of a great education.

**Sheridan School**

**K-8 Co-ed**

**Mission Statement Highlight:**

*Sheridan School's mission is to create an inclusive, vibrant learning community. We take joy in learning, show kindness and empathy towards others, embrace new experiences and ideas, and continually seek a deeper and fuller understanding of the world. We seek to inspire self knowledge, intellectual discipline, and personal integrity in our community members. At both our city and mountain campuses, the Sheridan community challenges itself to live the ideal of respect for one self, others, and the environment.*

How to Apply to Private Schools

SOC is available to assist you with applying to a participating private school!

If you would like help or guidance with finding and/or applying to a private school, you can:

- Schedule a one-on-one appointment with our staff, either virtually or in our office.
  - Call 1-888-329-6884

How to Apply to Private Schools

**Step 1: Research Participating OSP Schools (Late August)**
- Think about what you’re looking for in a school
  - **Location** - Do you want a school near where you live or work?
  - **Religion** - Do you want a religious or non-religious school?
  - **Activities** - What types of services and activities (i.e. aftercare, sports) do you want?
- Review the school’s website to see if the school offers what you are looking for
- Contact the school for an application and schedule a time to visit
Step 2: Mark Your Calendar for Important Dates (September)

- Be sure to create a calendar of deadlines for all of the schools you plan to apply to
  - Application deadline - be sure that your application is submitted by this day; be mindful that some school's priority deadlines are sooner than others!
  - Shadow and Open House Dates Check school website - These events allow you to visit the school's campus and get a feel for the environment your child will be learning in. Try your best to attend!
  - Financial Aid – some schools offer financial aid. If you are interested in applying, be sure to submit your information by or before the deadline.

Step 3: Complete Applications (October)

- Follow directions thoroughly
  - Many schools have step-by-step directions to make the application process easier; ask schools if you have questions
- Submit any additional documents (essays, transcripts, and teacher recommendations, etc.)
  - Letters of recommendation early (and from more than one person if required)
  - Transcript/grade copies from each school your student has attended
- Other important points
  - Many schools require admissions tests; inquire what test is needed for the school
  - Identify yourself as an OSP family; schools may waive or defer application fees, and many schools offer supplemental financial assistance; As an OSP family, you’re eligible to be reimbursed for up to five (5) application fees you pay out-of-pocket, as well as admissions test fees you pay by Serving Our Children. Please be sure to keep your receipts.
  - Ask if financial aid is available
    - Applying for financial aid does not lessen your chance of being accepted
    - Financial aid applications are usually included with the admissions packet. If not, ask for financial aid forms and deadline information

Step 4: Essays and Interviews (Early November)

- Present your student’s strengths
- Have your student tell his/her unique story (for the student portion of the application, if required)
- Share the fact that your student is applying to or participating in the D.C. Opportunity Scholarship Program

Step 5: Submitting Applications (Late November–Early December)

- Proofread your applications and attach all requested information before submitting. Remember to submit application before on by the deadline.
- After submitting, follow up with the school to make sure your application is complete
- While waiting for a decision, check in with the school from time-to-time to see if there is anything else they may need
- Admissions decision
  - Accepted students:
    - Schedule another visit if your child is accepted to more than one school
    - Ask about your financial aid award

Decide whether your student will be attending. If yes, give the school a signed School Placement Form.

School Search Worksheets

Suggestions
To help you decide where to apply, write down your priorities for your student’s school and rank them from highest to lowest. (Examples: location, academic rigor, sports)

<table>
<thead>
<tr>
<th>What’s important for you and your student?</th>
<th>Priority</th>
</tr>
</thead>
<tbody>
<tr>
<td>1.</td>
<td></td>
</tr>
</tbody>
</table>
Suggestions
After choosing a school, list the pros and cons to see how the school fits with your priorities.
(Examples: far from home, good academics, hot lunch program, no summer school)

How does the school fit with your priorities?

<table>
<thead>
<tr>
<th>Pros</th>
<th>Cons</th>
</tr>
</thead>
<tbody>
<tr>
<td>1.</td>
<td>1.</td>
</tr>

School Search Worksheets

Suggestions
Make a list of questions you would like to ask the school’s admissions staff. (Examples: Do you offer before and after care? Do you have a hot lunch program?)

What are your questions to ask each school?

1.
2.
3.
4.
5.
6.
7.
Additional Financial Aid Resources

Many of our participating schools offer supplemental financial aid. Be sure to inquire with the school for more details.

**School & Student Services (SSS)**
[http://sssbynais.org/parents](http://sssbynais.org/parents) | sss@nais.org

SSS is part of the National Association for Independent Schools (NAIS) and is used by K-12 private schools and other organizations to help determine a family’s ability to pay for school costs.

**Financial Support**
- Based on financial need and available funds by school

**Cost to Apply**
- $49 to submit electronically

**Deadline**
- Deadlines vary by school, check with schools for specific deadline dates

---

**Tuition Aid Data Services (TADS)**
[mytads.com](http://mytads.com) | [help@tads.com](mailto:help@tads.com)

TADS is used by K-12 private schools and other organizations to help determine a family’s ability to pay for school costs.

**Financial Support**
- Based on financial need and available funds by school

**Cost to Apply**
- $39

**Deadline**
- Deadlines vary by school; check with schools for specific deadline dates

---

**Jack Kent Cooke Foundation**
[www.jkcf.org](http://www.jkcf.org) | scholarships@jkcf.org

The Jack Kent Cooke Foundation Young Scholars Program provides financial assistance to high-achieving students with financial need; for 7th graders going into the 8th grade.

**Financial Support**
- Based on financial need and available funds by school

**Cost to Apply**
- Free

**Deadline**
- Check website for info
**Black Student Fund (BSF)**

www.blackstudentfund.org

Phone: (202) 387-1414

BSF is dedicated to bringing people together by maintaining access to independent schools for Black children from low to modest income households.

About Serving Our Children

Serving Our Children is dedicated to the concept that all students, regardless of income or socioeconomic status, should have access to a quality education. We believe a quality education is a civil right. All students are capable of significant achievement, and a first class education is the key to unlocking the American dream and obtaining economic security. To this end, Serving Our Children believes that parents should have access to as many school choice options as possible. Serving Our Children is especially focused on ensuring that lower-income families have access to scholarships that enable their children to attend quality private schools in Washington, D.C. For more information please visit www.servingourchildrendc.org
